End of Year Awards Celebration

SUMMARY

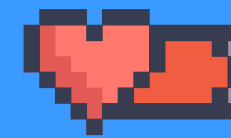

Theme: Mario Through the Decades

Our idea is to transform the core into a Mario universe, allowing our event attendees to submerge themselves into the many Mario eras.

To do this, we will acquire a variety of popular gaming consoles over the years, and a variety of Mario games. Then, we will ensure that the decor, other entertainment, and provided food correspond with the theme to take it a step further.

BUDGET

What is the allotted budget?

a) \$1500 total

b) \$1200 for the Core

includes pop, food, av.

c) \$100: décor

d) \$200: prizes

DECOR

Theme: Mario Through the Decades

Our idea is to use a variety of different DIY'd decor to bring the Mario universe to life (inspo on next page). We will use resources such as Pinterest, Instagram, and TikTok to create the perfect touches to bring our vision to life.

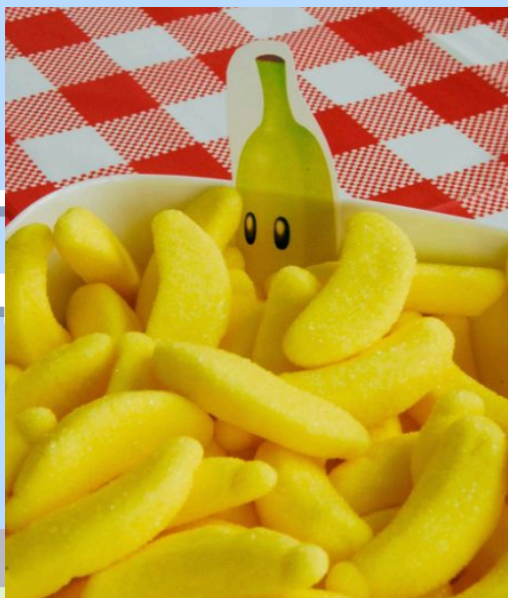

FOOD

Theme: Mario Through the Decades

The main meal will be pizza with other grab-as-you-go finger foods coming out after the awards. We also want to have snacks for our guests to graze on before the awards -- all Mario-themed (see next slide for inspo).

Mario Brothers Snack Board

- Veggie board
- Chip assortment
- Popcorn machine
- Cheese balls
- **Candy portion:**
 - Twizzlers
 - Mini eggs
 - Peach rings
 - Chocolate gold coins
 - Two-bite brownies

DRINKS

We also want to talk to The Core about creating on-theme non-alcoholic drinks. Some of our ideas for this include:

Princess Peach Bellini
Luigi's Green Sour
Yoshi's Island Daiquiri
Bowser's Fireball Smash
Goomba Espresso Martini

There are four main areas of entertainment

a) Games & Consules

- 3) The Core Gift Card

ENTERTAINMENT:

PHOTO BOOTH

Another aspect is a photo booth/area. This would allow students a variety of props for them to take pictures and make memories at the event.

ENTERTAINMENT: BOARDGAMES

For those who prefer their entertainment offline, we will have a variety of board games and Mario-themed games for them to play, including:
